CHRISTMAS AND
NEW YEAR

Spring and Autumn extra garden waste collections

If you are subscribed to our brown bin service, you can have extra garden waste collected for free, on your normal collection day only, between 31 March and 11 April and then again between 27 October and 7 November. Just remember:

- you can put out up to four additional sacks of garden waste per brown bin subscription.
- only natural garden waste, such as cut grass, plants or branches.
- standard sized (60L) black refuse-style sacks or boxes / containers totalling no more than a standard bin full.
- no tonne builders' waste bags – our crews won't collect from these.
